

Greetings!

We are currently working on creating a FREE printable resource just for you.

The Self-Guided Exterior Paint Assessment

This self-guided assessment will walk you through everything that our very own Paint Specialists look for when we assess your home. This guide is designed for you to use and educate yourself to see if you're home is due for a repaint.

Please check back frequently to find this resource or email us at Teyanna@swatchexteriorpainting.com to hold us accountable! You have our word, it's coming soon!

Sincerely,
The Swatch Team
